

Public Forum on the
STATE OF THE ECONOMY

Monday, October 3, 2016 @ 7:00pm
Rivers West 105A

Speakers:

John Seater – Featured Speaker
Emeritus Faculty, NC State University

“Fun Facts with Economics and Elections”
A stand-up guy, Dr. Seater is much more impressed by performance than pedigree, and stubbornly adheres to the simple-minded notion that the scientific method should be applied to economics. Listen to him at your own peril.

Richard Ericson
Microeconomist, East Carolina University

“Regulatory Predation and Systemic Economic Damage”

Randall Parker
Macroeconomist, East Carolina University

“Trump vs. Clinton Economics: Who you got?”

Please join us for a frank and open discussion of the current and future course of our economy. Open to the public

This event has been generously funded by a grant from the Charles Koch Foundation
