9. Click on the **Submit button**.

10. **CAREFULLY Review the degree information**.

    If this curriculum does not accurately reflect your degree information including major, minor or concentration, **DO NOT PROCEED**. This is what is currently in your student record. Please see your advisor or program director with questions or to correct your curriculum before processing.
11. If no degree information is available and the following message is displayed under Select Curriculum your application for graduation has already been processed on your behalf.

If no curricula are available and you have previously submitted a paper application to the Office of the Registrar, please check the View Graduation Applications link below as we have processed that application on your behalf.

12. **Once you have verified the degree information** and you have determined that it is correct, **select the radio button** next to the current program you would like apply for and click the continue button.

   If you have **two programs** – degree and certificate, double majors, or dual degrees – **you will have to do an application for graduation for each program**.
13. **Select** the Graduation Date from the **Graduation Date pull down menu** and then click Continue.

14. **Select a name** for your Diploma from the **One of your Names pull down menu** and click continue.

15. If you choose to enter a “New” name, you will be taken to a screen to enter in the information. Click **Continue** when done.

*** **NOTE:** Be careful when entering this information. What is entered in this screen is what will appear on your diploma. ***
16. **Select** an Address for your Diploma from the **One of your Addresses pull down menu. Click Continue.**
