

JAMIE BROWN KRUSE

ORCID0000-0003-3864-3231

EDUCATION

- 1988 *Ph.D. Economics*. University of Arizona, Tucson, AZ
Major Professor: Vernon Smith, 2002 Nobel Laureate
- 1983 *M.S. Agricultural Economics*. Colorado State University, Fort Collins, CO
- 1979 *B.S. with distinction Ag Honors*. University of Nebraska, Lincoln, NE

PROFESSIONAL EXPERIENCE

- Associate-Director, Project IN-CORE*
2023 –present Fiscally sponsored by Community Initiatives Oakland, CA
- Co-Director, Center for Risk-Based Community Resilience Planning
NIST-funded Center of Excellence.*
2020 –present Colorado State University Fort Collins, CO
2023-present Adjunct Professor of Economics
- HCAS Distinguished Professor of Economics (emeritus)*
2023-present East Carolina University Greenville, NC
2023-present Adjunct Professor of Economics
2012–2023 *HCAS Distinguished Professor of Economics*
2004–2021 *Director (founding) Center for Natural Hazards Research*
2014–2018 *Senior Scientist, Institute for Coastal Science and Policy*
2006–2008 *Director (founding) RENCI Center for Coastal Systems Informatics and Modeling*
2004 -2012 *Professor of Economics*
- Board of Directors*
1994 -present Genoa National Bank/Genoa Community Bank Genoa, NE
- Chief Economist and Senior Advisor for the Social Sciences*
2010–2011 National Oceanic and Atmospheric Administration Silver Spring, MD
- Fellow*
2005 -2006 FDIC Center for Financial Research Washington, DC
- Professor of Economics*
2001 -2004 Texas Tech University Lubbock, TX
1996 -2001 Associate Professor of Economics
- Visiting Professor*
2001 -2002 Eidgenossische Technische Hochschule (ETH) Zurich, Switzerland
Swiss Federal Institute of Technology
- Assistant Professor of Economics*
1988 - 1996 University of Colorado Boulder, CO

PROFESSIONAL SERVICE

- Academic Program Review, External Review Team, Marine and Coastal Environmental Science Program, Texas A&M, Galveston, TX. 2024.
- Academic Program Review, External Review Team. Haub School of the Environment, University of Wyoming, Laramie, WY. 2023.
- Advisory board, Adaptive and Resilient Infrastructures driven by Social Equity (ARISE) University of Kansas NSF EPSCoR RII Track-1 #2148878, 2022-2027.
- Advisory board, NHERI SimCenter-Computational Modeling and Simulation Center, HQ UC Berkeley (funded by NSF) 2022-present.
- Research Committee Co-chair, North American Alliance of Hazards and Disaster Research Institutes, 2019-2024.
- National Science Foundation, College of Reviewers for NSF's Big Idea: Growing Convergence Research (founding member) 2020-2022.
- Review Panels, National Science Foundation, 25+ panels, CMMI, CISE, CBET, and SBE Directorates and Cross-cutting, 2001-2024
- External Program Review Committee, Center for Environmental and Resource Economic Policy (CEnREP) Department of Agricultural and Resource Economics, North Carolina State University, Raleigh, NC November, 2020.
- Board of Directors, North American Alliance of Hazards and Disaster Research Institutes, 2019-21.
- Expert External Reviewer, Proposed PhD in Marine and Coastal Management and Science, Texas A&M University, College Station, TX June 2020.
- Board of Trustees, Southern Economics Association, 2016-20.
- External Assessment Panel, Center for Risk-Based Community Resilience Planning, *NIST-funded Center of Excellence*. Colorado State University, Fort Collins, CO 2016-19.
- Expert Reviewer, "Understanding the Long-term Evolution of the Coupled Natural-Human Coastal System: The Future of the U.S. Gulf Coast," National Academies Board on Earth Sciences and Resources, National Academies of Science, Engineering and Medicine, 2018.
- Advisory Committee, Alliance for Hazards and Disaster Science, 2018.
- Steering Committee, Social Science Extreme Events Reconnaissance (SSEER) Platform Natural Hazards Center, University of Colorado, Boulder, 2018.
- Review Panel, Department of Homeland Security, Center for Homeland Security Quantitative Analysis, 2017.
- Member, Risk Management Coordinating Council (RMCC) North Carolina Department of Public Safety, 2016-17.
- Workshop Invited Attendee, White House Forum on Smart Finance for Disaster Resilience, sponsored by the White House Council on Environmental Quality and National Security Council, Washington, DC 2016.
- Workshop Invited attendee, Open Data and the Value of Scientific Information," sponsored by NOAA and USGS, Silver Spring, MD 2016.
- Workshop Organizer, "Data-to-Decisions: Valuing the Societal Benefit of Geospatial Information," sponsored by NASA, USGS, IEEE-USA, International Social Science Council, Group on Earth Observations, and OECD, Paris, France 2016.
- Workshop Invited Attendee, DHS, Coastal Resilience Center PI's meeting, Washington, D.C. July 2015.
- Workshop Invited Attendee, National Oceanic and Atmospheric Administration, National Weather Service, "Living with Extreme Weather," Oklahoma City, OK, May 2015.
- Workshop Invited Attendee, National Institute for Standards and Technology/American Society of Civil Engineers, "Economics of Community Disaster Resilience," Reston, VA, April 2015.
- Reviewer, Department of Homeland Security Critical Infrastructure and Resilience Center of Excellence Partner Proposals, 2014.

National Science Foundation, “Next Generation of Hazards and Disasters Researchers,” Mentor, 2014-2016.

Workshop invited speaker, “Assessing the Socioeconomic Impact and Value of Open Geospatial Information”, sponsored by NASA, USGS, IEEE-USA, University of Colorado, and George Washington University, Washington DC, 2014.

Peer Review Panel, New England Fishery Management Council, Recommendations for Excessive-Share Limits in the Northeast Multispecies Fishery, 2014.

Expert Reviewer, Kingdom of Saudi Arabia, Ministry of Higher Education, Center of Research Excellence in Natural Disasters, 2014.

Workshop invited attendee, “Travelers-IBHS – Wharton Symposium: transforming mitigation into action,” Institute of Building and Home Safety, Richburg, SC, December 2013.

Workshop invited attendee, “Methods for Research Synthesis: a cross-disciplinary approach,” Harvard Center for Risk Analysis, Cambridge, MA, October 2013.

External Advisory Team, Mentoring for Promotion, Department of Economics, University of North Texas, April 2013.

Workshop invited attendee, Air Force Office of Scientific Research (AFOSR) Workshop on Catastrophic Risks, Stanford, CA, June 2012.

Workshop invited attendee, Weather Ready Nation Oklahoma City, OK, December 2011 and Birmingham, AL, April 2012.

Technical Review Panel, Mississippi-Alabama Sea Grant Consortium, 2011-2016.

Program Review Panel, NOAA Northeast Fisheries Science Center, Social Sciences Branch, Woods Hole, MA, 2011.

Workshop speaker and invited attendee, “The Role of Economics: Integrating Economics into the USGS Research Portfolio, USGS National Center, Reston, VA 2011.

Workshop invited attendee, “Creating a More Disaster Resilient America” (CaMRA), National Science Foundation, Arlington, VA 2011.

Member, White House Office of Science and Technology Policy, Subcommittee on Social, Behavioral and Economic Science, 2010.

Member, White House Office of Science and Technology Policy, Subcommittee on Ocean Science and Technology Policy, 2010.

Co-chair, White House Office of Science and Technology Policy, Subcommittee on Ocean Science and Technology Policy, Interagency Working Group on Ocean Social Science, 2010.

Member, Research Council, National Oceanic and Atmospheric Administration, 2010.

Co-Chair, National Oceanic and Atmospheric Administration, Research Council Social Science Committee, 2010.

Co-Chair, National Oceanic and Atmospheric Administration, Research Council Ad Hoc Committee on Scientific Integrity, 2010.

Lead, Social Science Theme, NOAA Deepwater Horizon Science Team, 2010.

Member, White House Deepwater Horizon Oil Spill National Incident Command, Economic Solution Team, 2010.

Member, organizing committee, Deepwater Horizon Oil Spill Principal Investigator’s Conference, sponsored by OSTP Subcommittee on Ocean Science and Technology Policy, St. Petersburg, FL, October, 2010.

Organizer, Hurricane Floyd Symposium, Public Forum and Research Conference Commemorating the 10th anniversary of Hurricane Floyd, September 17-18, 2009, Greenville, NC.

Legislative Offshore Energy Exploration Research Study Committee, appointed by Joe Hackney, Speaker, North Carolina House of Representatives, 2009.

National Science Foundation, “Enabling the Next Generation of Hazards and Disasters Researchers,” Mentor, 2008-2010.

Workshop invited attendee, National Science Foundation, “Toward a Natural Hazard Vulnerability and Resiliency Observatory.” June 2008, College Station, TX.

Site Visit Team, Engineering Center of Excellence, National Science Foundation, Engineering Directorate, 2008.

Steering Committee, Hazards and Disasters Researchers Meeting, Boulder, CO, 2006-2008.

AWARDS

2020 Outstanding Alumni Award, Department of Agricultural Economics, University of Nebraska, Lincoln, NE.

2018 American Risk and Insurance Association Robert I. Mehr Award for the paper published in *Journal of Risk and Insurance* ten years ago that has best stood the test of time for “Flood Hazards, Insurance Rates and Amenities: Evidence from the Coastal Housing Market,” by Okmyung Bin, Jamie Brown Kruse and Craig E. Landry.

2017 Research Exemplar, Research Exemplar Project, Washington University at St. Louis.

2012 Distinguished Professor of the Thomas Harriot College of Arts and Sciences. East Carolina University.

2012 Lifetime Achievement Award for Excellence in Research and Creative Activity. Awarded by division of Research and Graduate Studies, East Carolina University.

2011 Women of Distinction Awarded by the Chancellor’s Committee on the Status of Women, East Carolina University.

1997 Big 12 Faculty Fellowship. Awarded by Texas Tech University.

EDITORIAL ACTIVITY

Guest Editor, *Economics and Flood Risk Symposium, Southern Economic Journal*, Spring 2019.

GEOValue: the socioeconomic value of geospatial information, editors J. Kruse, F. Pearlman, J. Cromptoets, ISBN 13:978-1-4987-7451-2 CRC Press, Taylor and Francis, Baton Rouge, FL, 2018.

Board of Editors, *Eastern Economic Journal*, 2013-2015.

Board of Editors, *Journal of Business Valuation and Economic Loss Analysis*, 2005-2015.

Guest Associate Editor, *Natural Hazards Review*, 2008-9.

Special Issue Editor, Hurricane Katrina Special Issue, *Journal of Business Valuation and Economic Loss Analysis*, 2009.

Guest Editor, *Hurricane Katrina Symposium, Southern Economic Journal*, October 2007.

Economics and Wind, B. T. Ewing and J.B. Kruse, eds., Nova Science Publishing, Inc., Hauppauge, New York, ISBN 1-59454-280-5, 2005.

Board of Editors, *International Journal of Information and Operations Management Education*, 2007-2013.

Board of Editors, *Global Review of Business and Economic Research*, 2003-2008.

PUBLISHED ARTICLES

“Hazard Risk Management as a Principal-Agent Problem: a comparison of principal- and agent-salient risk indicators,” with G. Howard and E. Frimpong (forthcoming) *Economics of Disasters and Climate Change*. October 2024. DOI: <https://doi.org/10.1007/s41885-024-00166-0>

“Comprehensive Approach to Reduce Hurricane Risk with a focus on Equity and Economic Prosperity,” with D. Liu, C. Guo, L. Nozick, M. Millea, C. Williams, R. Davidson, and J. Trainor. (forthcoming) *Springer Nature Global Alliance of Disaster Research Institutes Book Series: Disaster and Risk Research*.(2024)

“Housing inventory projection method for natural hazard modeling applications,” with C. Williams, R. Davidson, L. Nozick, J. Trainor, M. Millea, preprint March 2023
<https://doi.org/10.21203/rs.3.rs-270138/v1>.

“Mitigating compound coastal water hazards in Eastern North Carolina,” with A. Mukherji, S. Curtis, J. Helgeson, A. Ghosh. *Journal of Environmental Planning and Management* (2023)
<https://doi.org/10.1080/09640568.2023.2183112>

- “Perceptions of Risk to Compound Coastal Water Events: a case study in eastern North Carolina,” with S. Curtis, A. Mukherji, J. Helgeson, A. Ghosh and N. Adeniji. *Progress in Disaster Science*, 2022, vol. 16 <https://doi.org/10.1016/j.pdisas.2022.100266>.
- “Dynamic Modeling of Public and Private Decision-making for hurricane risk management including insurance, acquisition, and mitigation policy” with C. Guo, Linda Nozick, M. Millea, R. Davidson, and J. Trainor, *Journal of Risk Management and Insurance Review*, 2022, 25:2:173-199 (**Top 10 most cited articles published January 1, 2022 – December 31, 2023**) DOI: <https://doi.org/10.1111/rmir.12215>
- “Determination of Individual Building Performance Targets to Achieve Community-level Social and Economic Resilience Metrics” with W. Wang, J. van de Lindt, B. Hartman, H. Cutler, T. McAllister and S. Hamideh, *Journal of Structural Engineering*, May 2022, 148 (5):1-12 DOI [https://doi.org/10.1061/\(ASCE\)ST.1943-541X.0003338](https://doi.org/10.1061/(ASCE)ST.1943-541X.0003338)
- “Regional county-level housing inventory predictions and the effects on hurricane risk,” with C.J. Williams, R. Davidson, L. Nozick, and M. Millea, *Natural Hazards and Earth System Sciences*, 2022, 22: 1055-1072. DOI <https://doi.org/10.5194/nhess-22-1055-2022>

- “Structure of the Colorado Beef Industry,” Special Report, Eastern Livestock Round-up. Cooperative Extension Service, Western Livestock Marketing Information Project, Colorado State University. with A. G. Madsen and C. K. Gee, 1985.

PROFESSIONAL MEMBERSHIPS

American Economic Association, Economic Science Association, Southern Economic Association, Society for Risk Analysis, Society for Economic Measurement, American Academy of Science.

GRANTS (\$70,391,383 EXTERNALLY FUNDED, \$43,000 INTERNAL)

- National Science Foundation, Large Scale CoPe: Coastal Hazards, Equity, Economic Prosperity, and Resilience (CHEER), Sr. personnel, total award \$16.2 mil, ECU: \$1,097,587. 2022-2027.
- National Science Foundation, Pathways to Open Source Ecosystem (POSE) Establishing an Open Source Ecosystem for Interdisciplinary Networked Community Resilience Modeling Environment (IN-CORE) Sr. personnel, total award \$300,000. 2022-2023.
- National Oceanic and Atmospheric Administration, RISA Intended and Unintended Consequences of Buyout Programs as an Adaptive Response to Compound Flood Events and Coastal Inundation Risk in Rural Communities, Co-I, total award \$ 149,844. 2022-2024.
- National Aeronautics and Space Administration, #80NSSC22K0048 Rapid Response: Inland Flooding in Western Europe 2021: a stakeholder-informed system dynamics model, PI, total Award \$48,000. 2021-2022.
- National Institute of Standards and Technology/Colorado State University, NIST Center of Excellence, Center for Risk-Based Community Resilience Planning, Co-PI, Total Award \$20 mil. ECU: \$600,000. 2020-2024.
- National Science Foundation #1939915 “CoPe Conference: HurriCon: Science at the Intersection of Hurricanes and the Populated Coast,” PI, Total Award \$99,478, 2019-2020.
- National Oceanic and Atmospheric Administration “Preparing for, Responding to, and Mitigating Compound Coastal Water Hazards for Resilient Rural Communities,” CO-PI, Total Award \$299,563, 2019-2021.
- National Science Foundation #SBE 1902282 “2018 Hurricane Season: RAPID: Rural Resident’s Self Protections to Perceived and Actual Contamination Risk in Private Drinking Wells After Hurricane Florence, CO-PI, Total Award \$179,223, 2018-2020.
- National Science Foundation #CMMI 1856256 “RAPID: Effect of Hurricane Florence on Homeowner Willingness to Engage in Flood Risk Mitigation and Buyout Contracts,” PI, Total Award \$59,883 (\$49,909 plus supplement \$9,974) 2018-2020.
Data Archive <https://doi.org/10.17603/ds2-ebpq-6s93>
- National Science Foundation #CMMI 1830511 “LEAP-HI: Embedding Regional Hurricane Risk Management in the Life of a Community: A Computational Framework,” CO-PI: Total Award \$1,999,619, PI: ECU Award \$471,153 2018-2023.
- National Science Foundation, #CMMI 1638224 “CRISP type 2/Collaborative Research: Scalable Decision Model to Achieve Local and Regional Resilience of Interdependent Critical Infrastructure Systems and Communities,” Total Award \$2.5 mil, PI, ECU Award, \$132,987 2016-2020.
- National Science Foundation, Research for Undergraduates (REU) Supplement to “Collaborative Research: An Interdisciplinary Approach to Modeling Multiple Stakeholder Decision-Making to Reduce Regional Natural Disaster Risk,” PI, \$5,000, 2016-2017.

US Geological Survey #G16AC00058 "Creating a Vision and Action Plan for Measurement of Socioeconomic Benefits of Geospatial Information" PI, \$30,000, 2016-2018.

Department of Homeland Security/UNC Chapel Hill, "An interdisciplinary approach to household strengthening and insurance decisions," PI, \$5,515, 2016-2018.

National Aeronautics and Space Administration #NNX15AT69G "Data to Decisions: social and economic benefits of earth observations," PI, \$45,131, 2015-2017.

National Science Foundation, #1433622 "Collaborative Research: An Interdisciplinary Approach to Modeling Multiple Stakeholder Decision-Making to Reduce Regional Natural Disaster Risk," total award \$350,000, PI, ECU award \$67,612, 2014-2018.

National Science Foundation, #1000251 "Development of a quantitative model for measuring regional economic resilience to hurricanes," CO-I, total award \$278,726 subaward total \$91,360, 2010-2013.

National Institute for Standards and Technology, #60NANB10D016 "Modeling Natural Disaster Risk Management: A Stakeholder Perspective," CO-I, total award \$750,000 subaward total \$125,000, 2010-2013.

RENCI@East Carolina University, Coastal Systems Informatics and Modeling (C-SIM) Phase 2, Cooperative Agreement with Renaissance Computing Institute, Co-investigator, total support \$250,000, 2009-2012.

RENCI@East Carolina University, Coastal Systems Informatics and Modeling (C-SIM) Cooperative Agreement with Renaissance Computing Institute, Director, total support \$1.7 mil, 2006-2009.

National Science Foundation, #0554987, "The New New Orleans: Evaluating Preferences for Rebuilding Plans After Hurricane Katrina," Principal Investigator, \$172,596, 2006-2008.

National Science Foundation, #0553108, "Collecting Economic Impact Data: Implications for Disaster Areas and Host Regions," Principal Investigator, \$29,881, 2005-2006.

East Carolina University, Research Development Grant Program, "Spatial, Environmental and Behavioral Determinants of Valuation of Coastal Erosion Risk," Total support \$30,000. PI with co-investigators O. Bin, T. Crawford, and C. Landry, 2005-2006.

Federal Deposit Insurance Corporation, "Natural Disasters and Bank Performance," total support \$10,000, 2005-2006.

National Institute of Standards and Technology/Texas Tech University Cooperative Agreement, Wind Mitigation Initiative, total support \$18 million, Principal Investigator for Research Thrust C: Windstorm Economics (\$1,050,784), 1998-2005.

National Science Foundation, IGERT, "Multidisciplinary Program in Wind Science and Engineering," Co-PI, total support \$2.26 million. 2002-2007.

Advanced Research Program, Texas Higher Education Coordinating Board, "The Economic Impact of Windstorms and Mitigation on the Texas Labor Market," with B. Ewing, \$65,760. 2001-2003.

National Science Foundation, Natural and Technological Hazard Mitigation Program, Cooperative Program in Wind Engineering, Co-Principal Investigator, total support \$690,000, (15%) \$103,500, 1997-2000.

Texas Tech University Research Enhancement Grant, "The M1 Velocity Puzzle and the Friedman Hypothesis: Laboratory Experiments," with B. Ewing, \$4,000, 1999-2000.

Natural Hazards Research and Applications Information Center Grant, "Modeling Hurricane Evacuation using Transportation Models and Fuzzy Logic," with T. Tiglioglu, \$3,000, 1999-2000.

Texas Tech Teaching Learning and Technology Center Faculty Incentive Grant, "Experimental Economics in the Classroom: Experiential Learning Modules," total support \$5,000, 1997-98.

Niagara Mohawk, "A Laboratory Experimental Examination of Hourly Integrated Pricing," with G. McClelland, and W. D. Schulze, total support \$50,000, 1992-3.

Department of Energy, “Marketable Emissions Permits and the Clean Air Act of 1990,” total support \$56,164, 1990-2.

University of Colorado Council on Research and Creative Work, “Pollution Permit Markets: An Investigation of Market Power and Information Conditions,” total support \$4,000, 1990-1.

Niagara Mohawk, “A Comparison of Rationing Mechanisms for Load Reduction,” with S. Elliott, S. Ben-David, W. D. Schulze, and D. Spulber, 1989-90.

University of Colorado Undergraduate Enrichment Award, "Market Learning Modules," awarded jointly with Mike McKee 1988-89.

PRESENTATIONS

United Nations Science Summit, “Integrated Models for Community Resilience and Equity.” (Virtual) September 2024.

Applied Technology Council-NIST Center of Excellence Joint Meeting, “Measures of Economic Stability in a Community,” Fort Collins, CO. November 2022

Texas Academy of Medicine, Engineering and Science (TAMEST) Natural Hazards Summit, “Integrated Modeling to Promote Resilience to Natural Hazards.” Lubbock, TX May 2022

14th Americas Conference on Wind Engineering Plenary “Wind Hazard Interdisciplinary Research at the Intersection of Economics and Engineering,” Lubbock, TX May 2022.

Global Alliance for Disaster Research Institutes Conference (virtual) “Integrated Modeling and Decision Support to Foster Effective Resilience Policy,” September 2021.

National Association of Insurance Commissioners Insurance Summit, Natural Catastrophe Risk and Resilience Track, June 2021.

ECU Grant Writing Workshop, “Creating an NSF BIO and insights on the review process,” March 2021.

Semi-Annual Meeting (virtual and in person) NIST Center of Excellence Center for Risk-Based Community Resilience Planning, 2020-2023.

Resilience Week (virtual), “Community Resilience and Equity” October 2020

45th Annual Natural Hazards Workshop (virtual) panelist “Career Kickstarter: Workshop for new PhDs.” July 2020.

Interagency COVID-19 Discussion Group (organized by Ian Johnson, disasters program coordinator, NASA HQ) “Results of the survey of NAAHDRI members on challenges and strategies for hazards researcher under COVID restrictions.” July 2020.

Presentation to North American Alliance of Hazards and Disasters Research Institutes (NAAHDRI) membership (virtual) “Results of the survey of NAAHDRI members on challenges and strategies for hazards researcher under COVID restrictions.” May 2020

Semi-Annual Meeting (virtual) NIST Center of Excellence Center for Risk-Based Community Resilience Planning, Challenges and Opportunities for years 6-10. April 2020.

HurriCon: Science at the intersection of coastlines and people, “Welcome, Introductions, and Goals of the Conference,” February 2020.

44th Annual Natural Hazards Research and Applications Workshop, Plenary moderator “Coming together to build a culture of preparedness and mitigation,” Broomfield, CO July 2019.

Florida State University, Invited Seminar sponsored by Department of Economics and Department of Risk Management and Insurance, Tallahassee, FL March 2019.

43rd Annual Natural Hazards Research and Applications Workshop, “Panel Discussion: Risk(y) Business: Persuading Investors to Fund Resilience,” Broomfield, CO July 2018.

Earth Science Information Partners (ESIP) Webinar “The Socioeconomic Value of Earth Science Data, Information and Applications,” June 2018.

Appalachian Experimental and Environmental Economics Workshop, Blowing Rock, NC April 2018.

Old Dominion University, Norfolk, VA March 2018.

Group on Earth Observations Conference, Washington, DC October 2017.

Southern Economics Association Meetings, Washington, DC November 2016.

Data to Decisions Workshop, OECD, Paris FRANCE March 2016.

Southern Economics Association Meetings, New Orleans, LA November 2015.

An Interdisciplinary Approach to Household Strengthening and Insurance Decisions, DHS Coastal Resilience Center, PI workshop, Washington, DC July 2015.

UNC Board of Governors Centers and Institutes Working Group. December 2014.

Assessing the Socioeconomic Impact and Value of Open Geospatial Information, Workshop Overview, George Washington University, Washington DC, October 2014.

Global Risk Forum IDRC Davos 2014, Davos Switzerland. August 2014.

World Congress of Ocean, Dalian, China “Economics of Disasters,” 2012

University of North Texas, Department of Economics, “Bringing Economic Research Methods to the Hazards and Disasters Table,” Denton, TX, 2012.

Texas A & M, Department of Marine Sciences at Galveston, “Through the Looking Glass: Social, Behavioral and Economic Sciences at NOAA,” Galveston, TX 2011.

The Role of Economics: Integrating Economics into the USGS Research Portfolio, USGS National Center, Reston, VA 2011.

The Will Mann Richardson Lecture Series, Austin College, “Social, Behavioral, and Economic Sciences at NOAA,” Sherman, TX 2011.

The McDonald-Mehta Lecture Series, Texas Tech University, “Social, Behavioral and Economic Sciences at NOAA,” Lubbock, TX 2011.

University of Nebraska, “Three papers illustrating research and discovery,” Lincoln, NE 2010.

Congressional Coastal States Caucus, “Coastal Ecosystems and Economies,” Washington, DC 2010.

University of Delaware, “Beautiful but Risky: Risk and Amenity Value in the Coastal Housing Market,” Newark, DE 2010.

National Academy of Science, Disasters Roundtable “Risk Assessment and Risk Management at NOAA,” Washington, DC 2010

NOAA Research Council Social Sciences Committee “Weathering the Storm: measuring household willingness-to-pay for risk reduction in post Katrina New Orleans,” Silver Spring, MD 2010.

NOAA Office of Atmospheric Research Executive Research Committee, “NOAA and Social Science.” Washington, DC 2010.

Hazards and Disasters Researchers’ Meeting, Invited Panel, “Toward a Natural Hazard Vulnerability and Resiliency Observatory (RAVON)” sponsored by National Science Foundation., Broomfield, CO 2009.

Enabling the Next Generation of Hazards and Disaster Researchers Summer Meeting, “Economics and Hazards,” Broomfield, CO, 2009.

45th Werner Sichel Lecture Series, The Economics of Natural and Unnatural Disasters, Western Michigan University, Kalamazoo, MI, October 2008.

National Center for Atmospheric Research, Boulder, Colorado, June 2008.

Third International Symposium for the Prevention of Natural Disasters, Mexico City, Mexico May 2008.

Southern Economic Association Meeting, New Orleans, LA November 2007.

Texas Tech University, Wind Science and Engineering Seminar, Lubbock, TX November 2007.

National Science Foundation HSD PI’s meeting, Arlington, VA October 2007.

Hazards and Disaster Researchers’ Meeting, Boulder, CO, July 2007.

Texas Tech University, MBA Program for Physicians, Lubbock, TX, March, 2007.

University of Central Florida, Departmental Seminar, Orlando, FL, January, 2007.

RENCI Board of Governors, Chapel Hill, NC, December, 2006.

Southern Economic Association Meetings, Charleston, SC, November, 2006.

Emergency Management and Communication in North Carolina Workshop, Greenville, NC, November, 2006.

“The Business of Healthcare,” Mini Research Symposium, ECU, Greenville, NC, November 2006.

Preparing for and Responding to Disasters in North America, San Antonio, TX, November 2006.

Tulane University, Katrina Research Symposium, New Orleans, LA, November 2006.

Texas A & M, Departmental Seminar, College Station, TX, October 2006.
University of Tennessee, Institute for Secure and Sustainable Environment, Knoxville, TN, October 2006.
National Science Foundation, HSD PI's Meeting, Washington, DC, September 2006.
Hazards and Disaster Researchers' Meeting, Boulder, CO, July 2006.
University of Tennessee, Departmental Seminar, Knoxville, TN, January 2006.
American Economic Association Meetings, Boston, MA, January 2006.
Southern Economic Association Meetings, Washington, D.C. November 2005.
32nd Annual Conference Council for Programs in Technical and Scientific Communication, Lubbock, TX, October 2005.
Americas Conference on Wind Engineering, Baton Rouge, LA, June, 2005.
Experimental Economics and Public Policy Workshop, Appalachian State University, Boone, NC, April 2005.
University of Nebraska, Lincoln, NE, Economics Department Visiting Scholar Series, March 2005.
Virginia Tech, Blacksburg, VA, Departmental Seminar, February 2005.
8th CEEL Workshop, Dynamic Choice and Experimental Economics, Bari, Italy, January 2005.
Southern Economic Association Meetings, New Orleans, LA, November 2004.
Southern Economic Association Meetings, San Antonio, TX, November 2003.
East Carolina University, Greenville, NC, Departmental Seminar, October 2003.
University of Oklahoma, Norman, OK, Departmental Seminar, March 2003.
Southern Economic Association Meetings, New Orleans, LA, November 2002.
Baylor University, Waco, TX, Economics Departmental Seminar, October 2002.
Economic Science Association International Meeting, Boston, MA, June 2002.
University of Fribourg, Switzerland, Economics Seminar, February 2002.
University of Zurich, Switzerland, Economics Seminar, December 2001.
University of Zurich, Switzerland, Institute for Empirical Research in Economics Brown Bag Seminar, November 2001.
Hazards Conference, Boulder, CO, July 2001.
Americas Conference on Wind Engineering, Clemson, SC, June 2001.
Public Choice Society Meetings, San Antonio, TX, March 2001.
Project Impact Summit, Washington, DC, November 2000.
Southern Economics Association Meeting, Washington, DC, November 2000.
Economic Science Association Regional Conference with special emphasis on Economics and Psychology. Tucson, AZ, September 2000.
Hazards Conference, Boulder, CO, July 2000.
INFORMS Spring 2000 Meeting, Salt Lake City, UT, May 2000.
Great Plains Outbreak of May 1999, Oklahoma City, OK, May 2000.
Public Policy Symposium, Reducing Losses from Windstorms, Washington, D.C., November 1999.
Southern Economics Association Meeting, New Orleans, LA, November 1999.
Heartland Environmental and Resource Economics Symposium, Ames, IA, September 1999.
Hazards Conference, Boulder CO, July 1999.
Economic Science Association Annual Meeting, Lake Tahoe, CA, May 1999.
Federal Emergency Management Agency, Washington, DC, March 1999.
Applied Economics Seminar, The Wharton School, University of Pennsylvania, Philadelphia, PA, November 1998.
Southern Economic Association Meeting, Baltimore MD, November 1998.
TAAC Meeting, Cooperative Project in Wind Engineering, Fort Collins, CO, October 1997.
Cooperative Project in Wind Engineering, Co-PI's Meeting, Baltimore, MD, June 1997.
Public Choice/Economic Science Association Annual Meeting, San Francisco, CA, March 1997.
Economics/Ag Economics Joint Seminar, Texas Tech University, Lubbock, TX, October 1996.
Econometric Society, North American Summer Meetings, Quebec, Canada, June 1994.

Economics Institute, Ukraine Delegation Short Course, Boulder, CO, February 1993.
American Economic Association Meetings, New Orleans, LA, January 1992.
Survival and Success for Women Faculty Spring Conference, University of Colorado, Boulder, CO, February 1992.
Econometric Society Winter Meetings, Atlanta, GA, December 1989.
American Economic Association Annual Meeting, CSWEP Session, (invited paper) Atlanta, GA, December 1989.
Economic Science Association Fall Workshop, Tucson, AZ, October 1988.
Public Choice/Economic Science Association Annual Meeting, Tucson, AZ, March 1987.
Economic Science Association Annual Meeting, Tucson, AZ, March 1986.
Economics Science Association Annual Meeting, Tucson, AZ March 1986.

COMMITTEES AND UNIVERSITY SERVICE

Personnel Committee, ECU Department of Economics, 2019-2020.
Selection Committee, THCAS Distinguished Professor, 2018.
Selection Committee, Southern Economic Association Elzinga Teaching Award, 2017, 2018.
ECU Chancellor's Committee on the Status of Women 2016-17.
Search Committee, Health Economics, Chair, 2016-18.
University Strategic Planning Committee, Co-chair, ECU School of the Coast, 2016-17.
THCAS Voyages of Discovery Speaker Series Committee, 2015-2018.
Search Committee, Chair of Department of Economics, 2015.
ECU Workgroup on Enhancing and Growing the Research Enterprise (EGRE)-NASA and NSF funding, 2014-5.
Search Committee, Joint Economics-Institute for Coastal Science and Policy, Assistant Professor, chair 2014-5.
Economics Concentration CRM PhD, Department of Economics, chair 2014-present.
Coastal Resources Management PhD Curriculum Committee, 2014-2016.
Coastal-Maritime Council, East Carolina University, chair 2013-2015, member 2005-2018.
Harriot College of Arts and Sciences Distinguished Professor selection committee, 2008, 2013, 2014, 2018 (Chair 2013).
University Committee on Coastal and Environmental Research and Education Plan, chair 2012-2013.
Economics Doctoral Planning Committee, East Carolina University, chair 2011-2014, member 2006-2014.
North Carolina Emergency Management/East Carolina University Annual Hurricane Conference Planning Group, 2010-present.
Search Committee, Associate Professor Center for Sustainable Tourism, 2012.
University Research Council, East Carolina University, 2011-2013.
Sustainable Tourism MS Steering Committee, 2010-2015.
Leadership Advisory Council, East Carolina University, 2008-2012.
Research Associate, Texas Tech University, Wind Engineering Research Center, 1996-2012.
Search Committee, Human Dimensions of Coastal Sustainability Program Head, UNC Coastal Studies Institute/East Carolina University joint position. Chair, 2007-2009.
Search Committee, Assistant Professor in the Institute for Coastal Science and Policy, East Carolina University, chair 2006-7.
Search Committee, Director of Institute for Interdisciplinary Coastal Science and Policy, East Carolina University, 2006-7.
Personnel Committee, East Carolina University, Department of Economics, 2005 (chair) 2006.
Research Committee, East Carolina University, Department of Economics, 2004-2005.
Technical Program Committee, International Conference in Wind Engineering, Lubbock, TX, 2002-2003.
Recruiting Director, Multidisciplinary Graduate Program in Wind Science and Engineering, 2002-2004.

Health Organization Management Executive Committee, 1998-2003.
 Technical Program Committee, International Conference in Wind Engineering, Lubbock, TX, 2002-2003.
 Invited Participant, Wharton/IBHS Roundtable on "Economic Incentives for Building Safer Communities" June, 2002.
 National Science Foundation Chautauqua Course on Women and Minorities in the Sciences. May 2000.
 Organizer Texas Tech Departmental Virtual Working Paper Series, 1999-2000.
 University Committee, Strategic Plan for Research, Texas Tech, 1999.
 University Committee, NCAA Self-Study, Fiscal Integrity Subcommittee, 1998-1999.
 University Search Committee, Dean College of Business Administration, Texas Tech, 1997-8.
 Organizer, Texas Tech Economics Seminar Series, 1997-8.
 Search Committee, Assistant Professor Economics, Texas Tech, chair 1997-8.
 University Committee, Dean's Small Grants Committee, University of Colorado, 1995.
 Faculty member of traveling party, University of Colorado, President Albino's Summer Tour II-outreach to Northeastern Colorado, June 22-24, 1994.
 University Institutional Review Board for the Protection of Human Subjects, University of Colorado, 1992-4.
 Co-Associate Director of the Center for Economic Analysis, University of Colorado, 1992-3.
 Committee on Undergraduate Review, University of Colorado, 1992-4.
 Admissions and Fellowship Committee, University of Colorado, 1991-2.
 SMART (Summer Minority Access to Research Training) Mentor, University of Colorado, 1990-2.
 "COLORS OF COLORADO" Committee on the study of gender and ethnicity in teaching curriculum, University of Colorado, 1988-9.
 Research Associate, Institute of Behavioral Science, Environment and Behavior Program, University of Colorado, 1988-95.
 Micro Theory Search Committee, University of Colorado, 1988, 1991.
 Program Review Self-Study Committee, University of Colorado, 1989.

COURSES TAUGHT

(University of Arizona, University of Colorado-Boulder, Texas Tech University, ETH-Zurich,
East Carolina University)

Undergraduate

Antitrust and Regulation
Economic Research
Health Care Economics
Industrial Organization
Intermediate Microeconomic Theory
Introduction to Mathematical Economics
Managerial Economics
Principles of Macroeconomics
Principles of Microeconomics
Risk and Decision Making
Risk and Regulation

Graduate

Economics of Wind Damage and Risk Management
Experimental and Behavioral Economics
Health Care Economics
Industrial Organization
Microeconomic Theory
Risk Management and Insurance
Risk and Regulation
Quantitative Analysis
